Mandara embodies the philosophy of the ancient healing arts that are passed on from generation to generation. Spa treatments by Mandara all share a common emphasis on beauty, rejuvenation and exotic indulgence.

## 01 BALINESE MASSAGE

50 MIN

Our most relaxing massage, harnessing the therapeutic properties of 100% pure essential oils. Used for centuries to renew, strengthen and heal both body and mind, this traditional therapy combines stretching, long strokes, skin rolling and palm and thumb pressure techniques to relieve tension, improve blood flow, ease stress and calm the mind. It can also help to improve the circulatory, lymphatic, muscular and nervous systems.

A complimentary 30min foot or back massage or refresher facial will be offered to you upon pre-booking of this treatment.

## 02 WARM STONE MASSAGE

50 MIN

The healing power of touch combines with the energy of the earth in this relaxing, muscle melting massage. Smooth, warmed rocks glide across your body in long, flowing strokes. The heat helps to relax the muscles and has a soothing effect on your emotions. Simultaneously, rocks are placed on the body's various energy points to encourage the body's healing potential.
